The Board of Directors recognizes that board member attendance at board meetings is fundamentally essential to the operation of Vista Charter Public Schools.

While board members may have legitimate reasons for failing to attend board meetings, the board by this policy establishes that [3] or more unexcused absences from a board meeting in any single school year will allow the Board President or any board member to propose by motion and majority vote of the members of the board, and in accordance with the Ralph M. Brown Act and the duly adopted bylaws of the Board then in effect, that the board member be removed.
