- Designated ELD Small group instruction
- Integration of Language supports in classrooms
- Based on these implementations we increased the amount of students who made progress as reflected in the 2024-2025 dashboard report
- For 2025-2026 we want our students to continue to make growth, to do this we have implemented:
  - Schedule changes
    - Advisory is switched to beginning of the day and students are grouped on ELPAC proficiency classification
      - RATIONALE: Students receive targeted language skills based on their designated level
  - The purpose of ELAC is to partner with us to ensure that our students are getting the language support needed
  - What can we do to engage our families?
    - Empowering families-Family workshops
    - Literacy Nights
      - Workshop for families
      - Literacy activities for families to engage together
    - Literacy Challenges with incentives
    - Classroom Visits to get feedback on EL instruction
    - Home School Connection
      - Supports to how to support language instruction at home
      - Activities to do at home as a family
  - Any suggestions for topics for future ELAC meetings
    - Reach out to the team if you have any suggestions for future meetings.

### 6.0 ADJOURNMENT/CIERRE
