Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Vista Charter Public Schools, Inc. (the Organization) (a California Nonprofit Public Benefit Corporation), which comprise the consolidated statement of financial position as of June 30, 2025, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements referred to above present fairly, in all material respects, the financial position of Vista Charter Public Schools, Inc. as of June 30, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary information such as the consolidated Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations (CFR)* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and other supplementary information on pages 30-42 are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidated Schedule of Expenditures of Federal Awards and other supplementary information are fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the local education agency organization structure but does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the consolidated financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 12, 2025, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Organization

Vista Charter Public Schools, Inc.

Vista Charter Public Schools, Inc. (the Organization) is a nonprofit public benefit corporation located at 2900 W. Temple Street, Los Angeles, CA 90026. Under the Charter Schools Act of 1992, a charter school is authorized to elect to operate as, or be operated by, a nonprofit public benefit corporation. The Organization is organized and operated exclusively for educational and charitable purposes pursuant to and within the meaning of Section 501(c)(3) of the Internal Revenue Code.

The Organization operates six charter schools (the Charter Schools) in Orange and Los Angeles counties serving students in transitional kindergarten through grade twelve. The Charter Schools' mission is to create a transformative TK-12 learning experience that is engaging, globally oriented, and builds a strong STEAM foundation for college and career readiness in a learning environment that allows students to have power in developing their identity within personal, interpersonal, and educational realms. We aim to provide quality education for all students by focusing on both heart and mind as critical tools of student engagement in learning. Our compassionate community of global learners focuses on developing students' knowledge and skills, as well as their attitudes, behaviors, aspirations, and beliefs for success in the 21st-century economy.

Vista Charter Middle School – Charter No. 1234

Vista Charter Middle School (Vista CMS) was formed as a charter school pursuant to California Education Code Section 47600 under a charter agreement with the Los Angeles Unified School District. The charter agreement was approved by the Los Angeles Unified School District in 2010 and has been renewed for a five-year term expiring in 2025. Vista Charter Middle School is located at 2900 W. Temple St., Los Angeles, California. Vista Charter Middle School opened September 1, 2010, and currently serves approximately 365 students in grades six through eight.

Vista Heritage Global Academy – Charter No. 1752

Vista Heritage Global Academy (Heritage) was formed as a charter school pursuant to California Education Code Section 47600 under a charter agreement with the Orange County Department of Education. The charter agreement was entered into in July 2015 and renewed for a five-year term beginning in 2020 and expiring in 2025. Vista Heritage Global Academy is located at 2069 W. 5th Street in Santa Ana, California. Vista Heritage Global Academy opened August 24, 2015, and currently serves approximately 360 students in grades sixth through eighth.

Vista Condor Global Academy – Charter No. 1930

Vista Condor Global Academy (Condor) was formed as a charter school pursuant to California Education Code Section 47600 under a charter agreement with the Orange County Department of Education. The charter agreement was entered into in April 2018 expiring in 2023. Vista Condor Global Academy is located at 2609 W. 5th Street, Santa Ana, California. Vista Condor Global Academy opened August 13, 2018, and currently serves approximately 340 students in transitional kindergarten through grade five.

Vista Horizon Global Academy – Charter No. 2043

Vista Horizon Global Academy (Horizon) was formed as a charter school pursuant to California Education Code Section 47600 and was authorized by the Los Angeles Unified School District at its November 2018 board meeting for a five-year term expiring in 2024. Vista Horizon Global Academy is located at 980 S. Hobart Blvd., Los Angeles, California. Vista Horizon Global Academy opened July 1, 2019, and currently serves approximately 160 students in transitional kindergarten through grade five.

Palm Lane Global Academy – Charter No. 1932

Palm Lane Global Academy (Palm Lane), formerly known as Palm Lane Elementary Charter, was established in 2017 under New Century Charter Public Schools (NCCPS) and operated for four years ending June 30, 2022. On May 11, 2022, VCPS, Inc. and NCCPS entered an agreement and Plan of Merger whereas NCCPS will cease and VCPS shall be the surviving corporation in the merger.

Palm Lane petitioned through Anaheim Elementary School District (the District) on October 2017 and approved subsequently based on Court Ruling. New Century Charter Public Schools has been selected by the Palm Lane Elementary School Lead Parents to operate their future charter school (Restart Model school) as determined by the Parent Empowerment Act. The Charter School approval is for five years ending June 30, 2023. Palm Lane Global Academy is located in Anaheim, California at 1646 West Palm Lane and serves approximately 280 students in transitional kindergarten through grade six.

Vista Meridian Global Academy – Charter No. 2132

Vista Meridian Global Academy (Meridian) was formed as a charter school pursuant to California Education Code Section 47600 under a charter agreement with the Orange County Department of Education. The charter agreement was entered into in 2022 for a five-year term beginning in 2023. Meridian is located at 2609 W. 5th Street, Santa Ana, California. Vista Lago Global Academy – Charter No. 2152

Vista Lago Global Academy (Lago) was formed as a charter school pursuant to California Education Code Section 47600 under a charter agreement with the Riverside County Department of Education. The charter agreement was entered into in 2024 expiring in 2029. Vista Lago Global Academy is located at 31360 Riverside Drive, Lake Elsinore, California. Vista Lago Global Academy will open August 11, 2025, and will serve students in transitional kindergarten through grade twelve.

Effective July 1, 2021, all charter schools whose term expires on or between January 1, 2022, and June 30, 2025, inclusive, shall have their term extended by two years, and all charter schools whose term expires on or between January 1, 2024, and June 30, 2027, inclusive, shall have their term extended by one additional year. The Charter Schools Division has automatically updated the charter term for charters impacted by this extension.

Other Related Entities

2900 W. Temple, LLC

In 2014, the Organization formed the 2900 W. Temple, LLC (the 2900 LLC) exclusively for charitable purpose solely related to property and assets of the Organization, for charitable purposes as specified in Section 501(c)(3) of the Internal Revenue Service. The Charter Schools make lease payments to the LLC, in accordance with the lease agreements. Vista Charter Public Schools, Inc. is the sole member of the 2900 LLC.

2609 W. 5th Street, LLC

In 2021, the Organization formed the 2609 W. 5th Street, LLC (the 2609 LLC) exclusively for charitable purpose solely related to property and assets of the Organization, for charitable purposes as specified in Section 501(c)(3) of the Internal Revenue Service. The Charter Schools make lease payments to the LLC, in accordance with the lease agreements. Vista Charter Public Schools, Inc. is the sole member of the 2609 LLC.

Vista Charter Public Schools Foundation

Vista Charter Public Schools Foundation (the Foundation) is organized for public and educational support purposes as specified in its Articles of Incorporation. It is not organized for the private gain of any one individual person. It is organized under the Nonprofit Corporation Law of California ("California Nonprofit Corporation Law") for public Purposes.

1. To support the charitable and educational mission of Vista Charter Public Schools, Inc., a California nonprofit, tax-exempt corporation, and any and all California public charter school that the Organization operates;
2. To undertake any and all additional activities as may be proper in connection with this corporation's specific purposes for which this corporation is formed, and which are exclusively charitable and educational within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986.

The Foundation did not have any activity during the year ended June 30, 2025.

Alliance of Schools for Cooperative Insurance Programs

The Organization's charter schools are associated with the Alliance of Schools for Cooperative Insurance Programs (the JPA). The JPA does not meet the criteria for inclusion as a component unit of the Charter Schools. The JPA arranges for and provides various types of insurances for its member schools as requested. The JPA is governed by boards consisting of one or more representatives from each member. The board controls the operations of the JPA, including selection of management and approval of operating budgets, independent of any influence by the member schools beyond their representation on the boards. Each member school pays a premium commensurate with the level of coverage requested and shares surpluses and deficits proportionate to their participation in the JPA. Information on JPAs financials can be obtained by contacting the JPA directly at 16550 Bloomfield Avenue, Cerritos, California, 90703. Organization's total expenses paid to the JPA for the year ended June 30, 2025, were \$360,425.

El Dorado Charter Special Education Local Plan Area (SELPA)

The Organization's Heritage, Condor, Meridian, Lago, and Palm Lane charter schools are associated with the El Dorado Charter SELPA (the SELPA). The SELPA does not meet the criteria for inclusion as a component unit of the Organization. The SELPA provided special education ancillary and/or related services. Total expenses for year ended June 30, 2025, were \$38,056.

Los Angeles Unified School District Special Education Local Plan Area (SELPA)

The Organization's Vista CMS and Horizon charter schools are associated with the Los Angeles Unified School District Special Education Local Plan Area (the SELPA). The SELPA does not meet the criteria for inclusion as a component unit of the Organization. The SELPA provided special education ancillary and/or related services. Total expenses for year ended June 30, 2025, were \$90,643.

Basis of Accounting

The accompanying consolidated financial statements were prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America as applicable to nonprofit organizations. Revenues are recognized as discussed below, and expenditures are recognized in the accounting period in which the liability is incurred.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor restrictions. The board of directors has designated \$8,185,471 in net assets without donor restrictions for categorical programs for the year ended June 30, 2025.

Net Assets with Donor Restrictions – Net assets subject to donor (or certain grantor) restrictions. Some donor imposed (or grantor) restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. The Organization did not have net assets with donor restrictions for the year ended June 30, 2025.

Cash and Cash Equivalents

The Organization considers all cash including cash in the County Investment Pool and LLC investments and highly liquid financial instruments with original maturities of three months or less, and which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents.

Restricted Cash/Investments

Restricted cash in the amount of \$7,584 represents the remaining balance of funds received which are limited in use for the payment of costs of constructing and operating new facilities resulting from proceeds of the Charter School Revenue Bonds. Non-current restricted investments in the amount of \$2,751,389 relates to the debt service reserve requirements related to the Charter School Revenue Bonds and is held as non-current to satisfy the long-term obligation.

Concentration of Credit Risk

The Organization maintains its cash in bank deposit accounts which exceed federally insured limits. Accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor, per insured bank, for each account ownership category. At June 30, 2025, the Organization had approximately \$13,150,000, in excess of FDIC-insured limits.

Investments

Investment purchases are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the consolidated statement of financial position. Net investment return/(loss) is reported in the consolidated statement of activities and consists of dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

Receivables and Credit Policies

Receivables consist primarily of noninterest-bearing amounts due for educational programs. Management determines the allowance for uncollectable receivables based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Receivables are written off when deemed uncollectable. No allowance for doubtful accounts has been established, as the Organization deems all amounts to be fully collectible. Substantially all outstanding receivables as of June 30, 2025 are due from state and/or federal sources related to grant contributions and are expected to be collected within a period of less than one year.

Intra-Entity Transactions

Intra-entity transactions results from a net cumulative difference between resources provided by the home office account to each charter school and reimbursement for those resources from each charter school to the home office account. Intra-entity transfers include certain costs of shared liabilities and shared assets between the Organization.

Property and Equipment

Property and equipment additions over \$5,000 are recorded at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 30 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any remaining gain or loss is included in the consolidated statement of activities. Cost of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

The Organization reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the year ended June 30, 2025.

Right of Use Leased Assets and Liabilities

Right to use leased assets and the related liabilities are recognized at the lease commencement date and represent the Organization's right to use an underlying asset and lease obligations for the lease term. Right to use leased assets are measured at the initial value of the lease liability plus any payments made to the lessor before the commencement of the lease term, less any lease incentives received from the lessor at or before the commencement of the lease term, plus any initial direct costs necessary to place the lease asset into service. Right to use leased assets are amortized over the shorter of the lease term or the useful life of the underlying asset using the straight-line method. The amortization period varies among the leases.

Revenue and Revenue Recognition

Operating funds for the Organization are derived principally from state and federal sources. The Organization receives state funding based on each of the enrolled student's average daily attendance (ADA) in its school. Contributions are recognized when cash or notification of an entitlement is received.

A portion of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. At June 30, 2025 the Organization did not have conditional contributions, for which no amounts had been received in advance, have not been recognized in the accompanying financial statements.

Debt Issuance Costs

Debt issuance costs are amortized over the period the related obligation is outstanding using the straight-line method, which is a reasonable approximation of the effective interest method. Debt issuance costs are included within bonds payable in the consolidated statement of financial position. Amortization of debt issuance costs is included in interest expense in the accompanying consolidated financial statements.

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. Donated professional services are recorded at the respective fair values of the services received. No significant contributions of such goods or services were received during the year ended June 30, 2025.

Functional Allocation of Expenses

The consolidated financial statements report categories of expenses that are attributed to program service activities or supporting services activities such as management and general activities and fundraising and development activities. The costs of program and supporting services activities have been summarized on a functional basis in the consolidated statement of activities. The consolidated statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on management's estimates. The expenses that are allocated include occupancy, depreciation, and amortization, which are allocated on a square footage basis, as well as salaries and wages, benefits, payroll taxes, professional services, office expenses, information technology, interest, insurance, and other, which are allocated on the basis of estimates of time and effort.

Income Taxes

The Organization including other related entities noted above, are organized as a California nonprofit corporation and have been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3) and qualifies for the charitable contribution deduction. It is also exempt from State franchise and income taxes under Section 23701(d) of the California Revenue and Taxation Code. The Organization is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Organization is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purpose. The Organization determined that it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

Management believes that the Organization has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the consolidated financial statements. The Organization would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.

Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Financial Instruments and Credit Risk

Deposit concentration risk is managed by placing cash, money market accounts, and certificates of deposit with financial institutions believed by management to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, no losses have been experienced in any of these accounts. Credit risk associated with accounts receivable and promises to give is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from Board members, governmental agencies, and foundations supportive of the Organization's mission.

Note 2 - Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the consolidated statement of financial position date, comprise the following:

	Total
Cash and cash equivalents	\$ 14,891,427
Investments (short-term)	5,634,747
Accounts receivable	7,802,454
Total	\$ 28,328,628

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations become due. In addition, the Organization invests cash in excess of daily requirements in short-term investments. To help manage unanticipated liquidity needs, the Organization has committed lines of credit in the amount of \$5,000,000, which it could draw upon.

Note 3 - Fair Value Measurements and Disclosures

The Organization has determined the fair value of certain assets in accordance with generally accepted accounting principles, which provides a framework for measuring fair value.

Fair value is defined as the exchange price that would be received for an asset or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. Valuation techniques should maximize the use of observable inputs and minimize the use of unobservable inputs. A fair value hierarchy has been established, which prioritizes the valuation inputs into three broad levels.

Level 1 inputs consist of quoted prices (unadjusted) in active markets for identical assets that can be accessed at the reporting date. Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the related asset, either directly or indirectly. These include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, inputs other than quoted prices that are observable for the asset and market corroborated inputs. Level 3 inputs are unobservable inputs related to the asset. In these situations, inputs are developed using the best information in the circumstances.

In some cases, the inputs used to measure the fair value of an asset might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to an entire measurement requires judgment, taking into account factors specific to the asset. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to an assessment of the quality, risk, or liquidity profile of the asset.

A significant portion of investments are classified within Level 1 because they are comprised of mutual funds with readily determinable fair values based on daily redemption values. Certain certificates of deposit are considered invested and traded in the financial markets. Those certificates of deposit, fixed income securities and other securities are valued by the custodians of the securities using pricing models based on credit quality, time to maturity, stated interest rates and market-rate assumptions, and are classified within Level 2.

Net asset value (NAV) per share, or its equivalent, such as member units or an ownership interest in partners' capital, is used to estimate the fair values of certain hedge funds, private equity funds, fund of funds, and limited partnerships which do not have readily determinable fair values. Investments that are measured at fair value using NAV per share as a practical expedient are not classified in the fair value hierarchy but are included in the table below to permit reconciliation to the accompanying consolidated statement of financial position.

The following table presents assets and liabilities measured at fair value on a recurring basis, as identified in the following, at June 30, 2025:

Investment Type	Fair Value Measurements at Report Date Using Quoted Prices in Active Markets for Identical Assets (Level 2)

Note 6 - Bonds Payable

2014 Bonds

In October 2014, the 2900 LLC entered into a loan agreement with the California Municipal Finance Authority for the issuance of \$7,075,000 in Charter Lease Revenue Bonds. The funds were used for financing the costs of acquisition of land and education and related facilities for use as a charter school facility located at 2900 W. Temple Street, Los Angeles, California. The charter school facilities are leased by Vista Charter Middle School.

The Series 2014 Charter School Lease Revenue Bonds were sold at an original issue discount of \$63,592, amounting to total bond proceeds, net of the original issue discount, of \$7,011,408. Terms of the bond call for principal and interest payments due for each year ending July 1.

Bond discount arises when the market rate of interest is higher than the stated interest rate on the bond. Generally Accepted Accounting Principles (GAAP) require that the discount decreases the face value of the bond and then amortize the discount over the life of the bond. The discounts are amortized over the life of the bond using the straight-line method.

The following bond was issued at a discount resulting in effective interest as follows:

2021 Bonds

In October 2021, the 2609 LLC entered into a loan agreement with the California School Finance Authority for the issuance of \$41,695,000 in Charter Lease Revenue Bonds. The funds were used for financing the costs of acquisition of land and education and related facilities for use as a charter school facility located at 2609 W. 5th Street, Santa Ana, California. The charter school facilities are leased by Condor and Heritage.

The Series 2021 Charter School Lease Revenue Bonds were sold at an original issue premium of \$2,927,321, amounting to total bond proceeds, net of the original issue discount, of \$833,900. Terms of the bond call for principal and interest payments are due for each year ending July 1.

Bond discount arises when the market rate of interest is higher than the stated interest rate on the bond. Generally Accepted Accounting Principles (GAAP) require that the discount decreases the face value of the bond and then amortize the discount over the life of the bond. The discounts are amortized over the life of the bond using the straight-line method.

Debt Service Coverage and Days Cash on Hand

Under the current bonding agreements, the Organization is required to maintain a Debt Service Coverage Ratio 1.20 and Cash Days on Hand of 45 days.

The Debt Service Coverage Ratio is calculated by dividing the consolidated Net Income Available for Debt Service by the Maximum Annual Debt Service for all outstanding indebtedness. As of June 30, 2025, the Organization had a 3.0 Debt Service Coverage Ratio and was in compliance with the 1.2 required ratio and cash on hand for 151 days meeting the required 45 days on hand.

Note 7 - Leases

Vista Charter Public Schools, Inc. (the Organization) leases certain real property with 2900 LLC and 2609 LLC for the operation of charter schools with various terms under long-term, non-cancelable finance lease agreements. The leases expire at various dates through June 1, 2081; and provide for renewal options ranging from one year to seven years. The Organization included in the determination of the right-of-use assets and lease liabilities any renewal options when the options are reasonably certain to be exercised. The agreements generally require the Organization to pay insurance and repairs. The Organization elected the option to use the risk-free rate determined using a period comparable to the lease terms as the discount rate. The Organization has elected the short-term lease exemption for all leases with a term of 12 months or less for both existing and ongoing operating leases to not recognize the asset and liability for these leases. Lease payments for short-term leases are recognized on straight-line basis. The Organization has real property short-term lease agreements for the year ended June 30, 2025. The Organization elected the practical expedient to not separate lease and non-lease components for real estate leases.

The Organization leases certain real property for the operations of the charter school and equipment at various terms under long-term non-cancelable finance lease agreements. The leases expire at various dates through 2058. The Organization includes in the determination of the right-of-use assets and lease liabilities any renewal options are reasonably certain to be exercised. The Organization's operating lease provides for increases in future minimum annual rental payments. Additionally, the operating lease agreement requires the Organization to pay real estate taxes, insurance, and repairs.

The weighted-average discount rate is based on the discount rate implicit in the lease. The Organization has elected the option to use the risk-free rate determined by using a period comparable to the lease terms as the discount rate for leases where the implicit rate is not readily determinable. The Organization has applied the risk-free rate option to the real property and equipment classes of assets.

The lease agreements also require the Organization to comply with certain covenants and to maintain certain financial ratios. As of June 30, 2025, the Organization was in compliance with all ratios and covenants.

The Organization has elected the short-term lease exemption for all leases with a term of 12 months or less for both existing and ongoing operating leases to not recognize the asset and liability for these leases. Lease payments for short-term leases are recognized on straight-line basis.

The Organization elected the practical expedient to not separate lease and non-lease components for real property and equipment leases.

Total lease costs for the year ended June 30, 2025 were as follows:

Finance lease cost:	
Interest expense	\$ 1,846,120
Amortization of right-of-use assets	\$ 1,366,430

The following table summarizes the supplemental cash flow information for the year ended June 30, 2025:

Cash paid for amounts included in the measurement of lease liabilities	
Financing cash flows from finance leases	\$ 2,563,419
Right-of-use assets obtained in exchange for lease liabilities	
Finance leases 2900 LLC	\$ 5,162,805

Note 8 - Net Assets

Net assets consist of the following at June 30, 2025:

Net Assets Without Donor Restrictions

Designated by the Board for categorical programs	\$ 8,185,471
Undesignated net assets	<u>19,056,990</u>
 Total net assets without donor restrictions	 <u>\$ 27,242,461</u>

Note 9 - Employee Retirement Systems

Qualified employees are covered under multiple-employer defined benefit pension plans maintained by agencies of the State of California. Academic employees are members of the California State Teachers' Retirement System (CalSTRS) and classified employees are members of the California Public Employees' Retirement System (CalPERS).

The details of each plan are as follows:

California State Teachers' Retirement System (CalSTRS)

Plan Description

The Organization contributes to the State Teachers Retirement Plan (STRP) administered by the California State Teachers' Retirement System (CalSTRS). STRP is a cost-sharing multiple-employer public employee retirement system defined benefit pension plan. Benefit provisions are established by State statutes, as legislatively amended, within the State Teachers' Retirement Law. If a participating employer stops contribution to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers as all plan assets are held by the plan and all benefit obligations are borne by the STRP.

A full description of the pension plan regarding benefit provisions, assumptions (for funding, but not accounting purposes), and membership information is listed in the June 30, 2023, annual actuarial valuation report, Defined Benefit Program Actuarial Valuation. This report and CalSTRS audited financial information are publicly available reports that can be found on the CalSTRS website under Publications at: <http://www.calstrs.com/member-publications>.

Benefits Provided

The STRP provides retirement, disability and survivor benefits to beneficiaries. Benefits are based on members' final compensation, age and years of service credit. Members hired on or before December 31, 2012, with five years of credited service are eligible for the normal retirement benefit at age 60. Members hired on or after January 1, 2013, with five years of credited service are eligible for the normal retirement benefit at age 62. The normal retirement benefit is equal to 2.0% of final compensation for each year of credited service.

The STRP is comprised of four programs: Defined Benefit Program, Defined Benefit Supplement Program, Cash Balance Benefit Program and Replacement Benefits Program. The STRP holds assets for the exclusive purpose of providing benefits to members and beneficiaries of these programs. CalSTRS also uses plan assets to defray reasonable expenses of administering the STRP. Although CalSTRS is the administrator of the STRP, the State is the sponsor of the STRP and obligor of the trust. In addition, the State is both an employer and nonemployer contributing entity to the STRP.

The Organization contributes exclusively to the STRP Defined Benefit Program; thus, disclosures are not included for the other plans.

The STRP provisions and benefits in effect at June 30, 2025, are summarized as follows:

STRP Defined Benefit Program		
Hire date	On or before December 31, 2012	On or after January 1, 2013
Benefit formula	2% at 60	2% at 62
Benefit vesting schedule	5 years of service	5 years of service
Benefit payments	Monthly for life	Monthly for life
Retirement age	60	62
Monthly benefits as a percentage of eligible compensation	2.0% - 2.4%	2.0% - 2.4%
Required employee contribution rate	10.25%	10.205%
Required employer contribution rate	19.10%	19.10%
Required state contribution rate	10.828%	10.828%

Contributions

Required member, the Organization, and State of California contributions rates are set by the California Legislature and Governor and detailed in Teachers' Retirement Law. The contribution rates are expressed as a level percentage of payroll using the entry age normal actuarial method. In accordance with AB 1469, employer contributions into the CalSTRS will be increasing to a total of 19.1% of applicable member earnings phased over a seven-year period. The contribution rates for each plan for the year ended June 30, 2025, are presented above and the Organization's total contributions were \$1,796,119.

California Public Employees Retirement System (CalPERS)

Plan Description

Qualified employees are eligible to participate in the School Employer Pool (SEP) under the California Public Employees' Retirement System (CalPERS), a cost-sharing multiple-employer public employee retirement system defined benefit pension plan administered by CalPERS. Benefit provisions are established by State statutes, as legislatively amended, within the Public Employees' Retirement Law. If a participating employer stops contribution to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers as all plan assets are held by the plan and all benefit obligations are borne by the STRP.

A full description of the pension plan regarding benefit provisions, assumptions (for funding, but not accounting purposes), and membership information is listed in the June 30, 2023, annual actuarial valuation report, Schools Pool Actuarial Valuation. This report and CalPERS audited financial information are publicly available reports that can be found on the CalPERS website under Forms and Publications at: <https://www.calpers.ca.gov/page/forms-publications>.

Benefits Provided

CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of service credit, a benefit factor and the member's final compensation. Members hired on or before December 31, 2012, with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. Members hired on or after January 1, 2013, with five years of total service are eligible to retire at age 52 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after five years of service. The Basic Death Benefit is paid to any member's beneficiary if the member dies while actively employed. An employee's eligible survivor may receive the 1957 Survivor Benefit if the member dies while actively employed, is at least age 50 (or 52 for members hired on or after January 1, 2013), and has at least five years of credited service. The cost-of-living adjustments for each plan are applied as specified by the Public Employees' Retirement Law.

The CalPERS provisions and benefits in effect at June 30, 2025, are summarized as follows:

	<u>School Employer Pool (CalPERS)</u>	
	On or before December 31, 2012	On or after January 1, 2013
Hire date		
Benefit formula	2% at 55	2% at 62
Benefit vesting schedule	5 years of service	5 years of service
Benefit payments	Monthly for life	Monthly for life
Retirement age	55	62
Monthly benefits as a percentage of eligible compensation	1.1% - 2.5%	1.0% - 2.5%
Required employee contribution rate	7.00%	8.00%
Required employer contribution rate	26.680%	26.680%

Contributions

Section 20814(c) of the California Public Employees' Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on July 1 following notice of a change in the rate. Total plan contributions are calculated through the CalPERS annual actuarial valuation process. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The Organization is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. The contributions rates are expressed as percentage of annual payroll. The contribution rates for each plan for the year ended June 30, 2025, are presented above and the total Organization's contributions were \$788,981.

On Behalf Payments

The State of California makes contributions to CalSTRS on behalf of the Organization. These payments consist of State General Fund contributions to CalSTRS in the amount of \$937,504 (10.828% of annual payroll). Under accounting principles generally accepted in the United States of America, these amounts are to be reported as revenues and expenditures. Accordingly, these amounts have been recorded in these financial statements.

Note 10 - Contingencies, Risks, and Uncertainties

The Organization has received State and Federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any reimbursement, if required, would not be material.

The Organization's credit filings remain open for potential examination by the Internal Revenue Service through the statute of limitations, which has varying expiration dates extending through 2027. Any disallowed claims resulting from such examinations could be subject to repayment to the federal government.

Note 11 - Related Party Transactions

Related parties as defined by generally accepted accounting standards include: (1) Affiliates of the entity; (2) Management and members of their immediate families, or; (3) Other parties that can significantly influence management or operating policies.

The Charter Schools share the same Board of Directors. During the year, the Charter Schools have related transactions that are recorded in their respective related party accounts. At year end, the related party accounts are reconciled to ensure all transactions between the Charter Schools are properly recorded, and all intercompany related party accounts have been eliminated.

Due To/From Related Entities

Due to/from related entities at June 30, 2025, consisted of the following:

Due From	Due To
Lago	Palm Lane
Total Due From/To	<u>\$ 357,234</u>

Note 12 - Subsequent Events

The Organization's management has evaluated events or transactions that may occur for potential recognition or disclosure in the consolidated financial statements through December 12, 2025, which is the date the consolidated financial statements were issued. Management has determined that there were no subsequent events or transactions that would have a material impact on the current year consolidated financial statements.

Note 1 - Purpose of Supplementary Schedules

Consolidated Schedule of Expenditures of Federal Awards

Basis of Presentation

The accompanying consolidated Schedule of Expenditures of Federal Awards (the schedule) includes the federal award activity of the Organization under programs of the federal government for the year ended June 30, 2025. The information is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

Summary of Significant Accounting Policies

Expenditures reported in the schedule are reported on the accrual basis of accounting. When applicable, such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited to reimbursement. No federal financial assistance has been provided to a subrecipient.

Indirect Cost Rate

The Organization does not draw for indirect administrative expenses and has not elected to use the ten percent de minimus cost rate.

Food Donation

Nonmonetary assistance is reported in this schedule at the fair market value of the commodities received and disbursed. At June 30, 2025, the Organization had no food commodities in inventory.

Schedule of Average Daily Attendance

Average daily attendance (ADA) is a measurement of the number of pupils attending classes of the Organization. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of State funds are made to local education agencies. This schedule provides information regarding the attendance of students at the Organization.

Schedule of Instructional Time

This schedule presents information on the amount of instructional time offered by the Organization and whether the Organization complied with the provisions of *Education Code* Sections 47612 and 47612.5, if applicable.

The Organization must maintain their instructional minutes at the 1986-87 requirements, as required by *California Education Code* Section 47612.5.

Reconciliation of Annual Financial Report with Audited Financial Statements

This schedule provides the information necessary to reconcile the net assets reported on the unaudited actual financial report to the audited financial statements.

Consolidating Statement of Financial Position and Consolidating Statement of Activities

The consolidating statement of financial position and consolidating statement of activities report the activities of the Organization and related entities and are presented on the accrual basis of accounting. Eliminating entries in the consolidating statement of financial position and consolidating statement of activities are for activities between the Organization and related entities.

Independent Auditor's Reports

Vista Charter Public Schools, Inc.

**Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statements Performed in Accordance with
*Government Auditing Standards***

Governing Board
Vista Charter Public Schools, Inc.
Los Angeles, California

We have audited in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*), the consolidated financial statements of Vista Charter Public Schools, Inc. (the Organization), which comprise the consolidated statement of financial position as of June 30, 2025, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements and have issued our report thereon dated December 12, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for the Major Federal Program; Report on Internal Control over Compliance Required by the Uniform Guidance

Governing Board
Vista Charter Public Schools, Inc.
Los Angeles, California

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited Vista Charter Public Schools, Inc.'s (the Organization) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2025. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2025.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Independent Auditor's Report on State Compliance and on Internal Control Over Compliance

Governing Board
Vista Charter Public Schools, Inc.
Los Angeles, California

Report on Compliance

Opinion on State Compliance

We have audited Vista Charter Public Schools, Inc.'s (the Organization) compliance with the requirements specified in the *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, applicable to the Organization's state program requirements identified below for the year ended June 30, 2025.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that are applicable to the laws and regulations of the state programs noted in the table below for the year ended June 30, 2025.

Basis for Opinion

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*), and the *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's state programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* will always detect a material noncompliance when it exists. The risk of not detecting a material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of the state programs as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we consider necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal controls over compliance. Accordingly, we express no such opinion; and
- Select and test transactions and records to determine the Organization's compliance with the state laws and regulations applicable to the following items:

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention from those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Accordingly, this report is not suitable for any other purpose.
